

Webinar: SBA Finance Programs for Exporters

The SBA has placed a priority on helping new and existing exporters with access to capital. Whether your company is exporting directly or indirectly, you may benefit from the enhanced guarantees that SBA provides on its export loan programs.

Loan funds can be used for:

- ***transactional financing***
- ***permanent working capital***
- ***equipment***
- ***real estate***
- ***export marketing costs***
- ***debt refinance***
- ***revolving line of credit's***
- ***standby letters of credit***

WHEN: Wednesday, February 15, 2017 EST **WHERE:** Your computer **COST:** Free, however registration is required. Register at
